Agenda Items

- School Results (Pillar Results - soft data)
Jason went over the test results. Results attached to minutes.
- PAT Analysis (PAT Scores - hard data)
Jason went over the test results. Results attached to minutes.
- School Plan
 - Groups/Goals, Sign Off
 - Plan will be attached and emailed to all people.
- Booth Survey (website)
There is a list from Emma's that we would like to send out for parents or students to look into different menu items.
- Feedback on School Messenger? Too much, ok?
Push outs - the grade 6 parents that are getting the daily message from the team are really liking them. They are not finding that it is too much. Parents agreed that they like it in a text when it comes to the daily reminders for homework.
- Peace Feast feedback - cost is something to consider
Parents that went to the Peace Feast said the food was really good.
Cost to the school is around \$1000. Agreed that it was only once a year and at about \$2 a plate this was money well spent.
- Grade 5 and 6 Agenda issues - we negotiated 25 off
The final account is not in for this yet, once we have final costs we will discuss what we do with the overage.
School/Student Generated Funds are funds that students and parents are paying into. This money is put into a school account that we ask School Council how they think it should be spent.
- Common Assessments - writing and reporting
New assessments that are happening this year at the Grade 7 & 8 level. These are happening core classes - Social Studies, Science, Math and Language Arts. Teachers are working out some bugs - with readers and with the Chrome books.
